## NUTRITION: FROM SCIENCE TO YOU, BOOKS A LA CARTE EDITION (LOOSE-LEAF)

Pearson, United States, 2018. Loose-leaf. Condition: New. 4th ed. Language: English. Brand new Book. NOTE: This edition features the same content as the traditional text in a convenient, three-hole-punched, loose-leaf version. Books a la Carte also offer a great value; this format costs significantly less than a new textbook. Before purchasing, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. For Books a la Carte editions that include MyLab(TM) or Mastering(TM), several versions may exist for each title--including customized versions for individual schools--and registrations are not transferable. In addition, you may need a Course ID, provided by your instructor, to register for and use MyLab or Mastering platforms. For introductory nutrition courses. A modern and personal approach to nutrition Nutrition: From Science to You helps readers understand the science of nutrition and how to successfully apply it to their personal lives and future careers. Thoroughly updated to better meet the needs of tomorrow's nutrition and allied health professionals, the 4th Edition provides individuals with more inter-professional applications, increased coverage of emerging and high interest topics such as the microbiome and Leaky Gut syndrome, and new dietary and nutrition guidelines. New auto-graded MDA Personalized Diet Analysis activities, Focus Figure Narrated Walkthroughs voiced by the author, and a mobile-friendly customizable eText enhance Mastering Nutrition, making it an even more effective practice and learning tool for today's readers. Also available with Mastering Nutrition Mastering(TM) Nutrition is an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results. Interactive, self-paced coaching activities provide individualized coaching to help students stay on track. With a wide range of auto-gradable activities available--including animations, videos, NutriTools, and new MyDietAnalysis activities, students can actively learn, understand, and retain even the most difficult concepts....
