Reviews

Extensive guideline! Its such a great go through. It is definitely basic but surprises in the 50 % of the pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English. Brand new Book. Sunshine Bill, according to the world's notion, was not "born with a silver spoon in his mouth;" but he had, which was far better, kind, honest parents. William Henry Giles Kingston was born in Harley Street, London on 28 February 1814. He was the eldest son of Lucy Henry Kingston (d.1852) and his wife Frances Sophia Rooke (b.1789), daughter of Sir Giles Rooke, Judge of the Court of Common Pleas. Kingston's paternal grandfather John Kingston (1736-1820) was a Member of Parliament who staunchly supported the Abolition of the Slave Trade, despite having a plantation in Demerara. His father Lucy entered into the wine business in Oporto, [1] and Kingston lived there for many years, making frequent voyages to England and developing a lifelong affection for the sea. He was educated at Trinity College, Cambridge and afterwards entered his father's wine business, but soon indulged in his natural bent for writing. His newspaper articles on Portugal were translated into Portuguese, and assisted the conclusion of the commercial treaty with Portugal in 1842, when he received from Donna Maria da Gloria an order of Portuguese knighthood and a pension. His first book was The Circassian Chief, a story published in 1844. While still living in Oporto, he wrote The Prime Minister, a historical novel, and Lusitanian Sketches, descriptions of travels in Portugal. Settling in England, he interested himself...
